A Few Words from your President

First on the list is to say thank-you to Past President Dianna for all that she has done for the Sen-

ate during her successful year as our president. She has been wonderful in sharing and preparing me for my year. I'm sure that she will be someone that I will be able to count on in the future for guidance when needed.

See below the list of your 2010-11 Board members that were sworn in at Elections. Look inside the Filibuster for the rest of the team. We have many new Senators that have accepted to make a difference. What a great opportunity for the future of the Senate.

Before I go any further, I would like to say thank-you to all of you for accepting your positions. As we know this is only the beginning of a successful year, we have many activities, fund-raisers, and meetings to attend to complete our year.

Watch the Filibuster for the dates and info on them. As for myself, I find it hard to believe that this day has come to serve as your 38th President. A few years back I had made a deal with a certain someone that I would serve as the President of the Michigan Senate when he was our Region VP, I wonder who that might be..

Communications VP—Deb Mogdis #62260

Hi, my name is Debbie Mogdis and I reside in the Muskegon County area. I have been JCI Senator #62260 for 8 years and have enjoyed every moment of this honor. I am a member of the Greater Muskegon Jaycees and Life Member #286.

After several years as your Hospitality Hostess, I am looking forward to serving you as one of your Vice Presidents. I will be handling the Communications area for the Senate this year. Our team is ready to work on the Filibuster, Membership Lists, Website and any other communica-

tions necessary to keep our group notified of the upcoming happenings. If you know any Senators that are not receiving communications from us, either by mail or e-mail, please let me know, so we can update their information as soon as possible.

I am employed at a law firm in Muskegon, Williams, Hughes & Cook, PLLC. My husband, Bob, and I have been together for 31 years this August. We have two children, Katie, 25 years of age, and Kevin, 22 years of age, and one adorable grandson, Trent, 4 years of

age. I call Trent my Boyne baby. He was born May 3rd and made me miss my first convention, in several years, when he was born, but it was definitely worth it. In my spare time, when I am not attending Jaycee / Senate functions, I like to motorcycle, camp, read, scrapbook, visit the wonderful casinos throughout Michigan and spend time with my grandson.

Here's to a great year with a great group of Senators. See you at the next event.

Treasury Notes from Denny K. #38041

Well the dues letters have gone out. Hopefully, by the time this gets out, the June billing will be complete and all dues will have been collected. However, I realize that the dues billing letters sometimes, kind of naturally, drift to the bottom of the stack of bills right below the bill for the newspaper. However, it still needs to be sent in. You will probably get a reminder around the time of this article. I want to also thank those that responded to the email reminder. I had put this anecdote in previous issues of the Filibuster. It only takes putting away 5½ cents a day for the year to give you your \$20 dues. Again, for those who don't want to send in dues each year, a life membership would remedy that. A check for \$200 or four quarterly payments of \$50 will get you there, your choice.

We need to think back to some of the senators that were active in the past and try to find a way to spark new interest in them. I don't think it's enough to say "well, we can do just fine without them". Why did they go inactive? Did something drive them out? We must address whatever the issues were. Maybe things have changed enough or we can change things enough that they might return. I do believe that everyone knows someone like this. There are some 800 names on the B list. Give someone a call. I can give you a portion of the B-List, your city, your area, a letter group, A's, B's etc. I'll help any way I can.

I need help from everyone updating the database. If your place of residence has changed or you changed phone numbers/area codes or got married or divorced, *PLEASE* contact me and let me know the changes by email or phone (weelz245@hotmail.com or 734-284-8852). I can't keep the database updated with outdated information. I really want to see the membership current in terms of info and dues.

Hello new and old senators alike,

It's nice to be a part of the Michigan Senate. I'm excited to serve as your Programming Vice President this year. The senate is a long running organization that helps people plus gives the best information to become an effective part of your community. Not to mention the friends and fun that comes with it. Convention in

May was at Boyne Mountain. What a blast! We had a few golfers who enjoyed the scenery, lots of social time and a great meeting to start the new year. There were lots of visitors and a major amount of senators enjoying the senate condo. It was a treat going to sessions to welcome new senators and to congratulate the TK Return the Favor recipient. Even "Super size" had a good race and won the Kentucky Derby.

I'd like to thank the following Chairmen for their participation in projects in my area. Dan Gratz # 64238 for the Tony Karasiewicz "Return the Favor", Dave Dunville # 66300 and Mary Burden # 62527 for "Renaissance Festival", Pat Ma-

lac #41805 and Tim LaBarge # 43200 for "Woodward Dream Cruise" and Edonna Russell # 69002, Jenn Dukarski # 68029 for "First Timers".

Don't forget to check the events calendar for upcoming events and meetings so you can have some fun and keep up to date on all our information available.

Respectfully submitted,

If you weren't at Boyne, here is a copy of the beautiful and fitting words of Anita Waid:

There are two days in every week about which we should not worry. Two days which should be kept free from fear and apprehension.

One of these days is yesterday with its mistakes and cares, its faults and blunders, its aches and pains. Yesterday has passed forever beyond our control. All the money in the world cannot bring back yesterday. We cannot undo a single act we performed, We cannot erase a single word

we said. Yesterday is gone.

The other day we should not worry about is tomorrow. With its possible adversities, its burdens, its large promise and poor performance. Tomorrow is also beyond our immediate control. Tomorrow's Sun will rise, either in splendor or behind a mask of clouds, but it will rise. Until it does, we have no stake in tomorrow, for it is yet unborn. This just leaves only one day... Today.

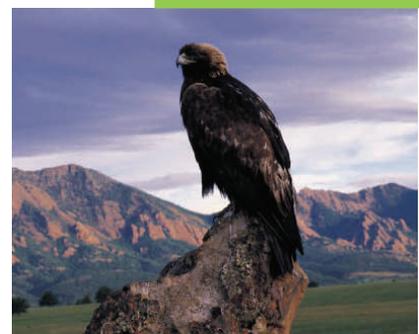

Any person can fight the battles of just one day. It is only when you and I add

the burdens of those two awful eternities yesterday and tomorrow that we break down. It is not the experience of today that drives people mad. It is the remorse of bitterness for something which happened yesterday and the dread of what tomorrow may bring. Let us therefore live but one day at a time.

Recycle of the Big Macs

A suggestion has been made: If you are one of the many Senators that may have several Big Macs just collecting dust, maybe you could donate them back to the Senate. Just a thought, often we are in need of a new pin for maybe a board member that has glued it on their original name badge, or for what ever reason. The cost is \$8.00 a piece, just another way of maybe cutting back on some expenses. You may return them to Deb Fewless #58565 President

Thank-you

A Message from Michigan Jaycee President Darlene Dresch #69161

One of the best lessons I was taught in this organization is that you can't do everything alone and you have to know when to ask for help. My fellow senators I know when to ask for help and here it is, the Michigan Jaycees need to grow in visibility and membership in 2010 and we need your help! Each year we ask ourselves how can we make the Jaycees stronger and each year we work tirelessly to try new ideas to strengthen and grow the chapters of the Michigan Jaycees. This year we are also looking to find new ways to educate our communities about the Jaycees again, teach them how after 86 years we are still building leaders in our local communities and creating impact along the way.

I have been asked what is going to be different this year, how are we going to finally bring back the public awareness of the Jaycees? This is a question our entire board has thought about and the best answer we have is to build the relationships we once had with members of our communities across the state. We need to do this by utilizing every resource we have available to us and there are no better resources than the hard working Jaycees of our past, those that our chapters have bestowed the highest honor to because of their dedication and commitment to their local chapters. We need to utilize each and every one of you!

During the month of June we are asking all past Jaycees to attend one meeting or project in their home chapters and bring a guest with them that is between the ages of 21 and 40. Someone you would like to assist in life by offering them the Jaycee opportunity that someone offered to you. For those of you whose home chapter is no longer around, we are asking you to contact LaVar Harris and the membership team to discuss ideas on how we can extend the Jaycees once again in those communities. I would also like to thank Mary Moellering for already working to re-extend the Petosky Jaycees in June! These are the mentoring opportunities that are going to re-build the Michigan Jaycees!

The support and mentorship the Senate has offered to our chapters is one of the greatest things that sets us apart from other organizations and for that we want to thank you. 2010 is a turning point for our organization and I know with your help we will strengthen and grow the local chapters of the Michigan Jaycees and in turn the membership of the Michigan JCI Senate.

Thank you for working with us to once again make the Michigan Jaycees the driving force of positive change in our great state. It is your legacy and leadership that has carried us for 86 years and together we will create the impact needed to build the leaders that will continue our mission for the next 86 years and beyond.

Proudly serving with you,

Darlene Dresch Senator #69161

Renaissance Festival News

MY LORDS AND LADIES, COME ONE, COME ALL TO MICHIGAN RENAISSANCE FESTIVAL, SEPTEMBER, 11 & 12 in Holly, Michigan. RAIN OR SHINE!

Hear ye! Hear ye! Thou art invited to partake in a most fabulous time while serving beer and wine. The Michigan Renaissance Festival is held seven weekends during the summer into the fall each year on their permanent village grounds located in Holly, Michigan. Each weekend has a different theme – romance, pirates, Celtic, fairies and fantasy, to name a few. There are knights in shining armor jousting, magicians, entertainers, musicians, street performers, dancers, merchants, and fabulous costumes. We will have our normal weekend after Labor Day. The Renaissance board has not yet informed us whether we will be also doing the Wine Tasting or the Beer Tasting. If we have the Wine Tasting weekend, the Renaissance Board is planning on inviting around 18 wine distributors from around the state to each have their own tent at this year's event. Because all alcohol sales fall under our alcohol license, the Senate has to provide at least one wine pouring volunteer at each tent. We will be doing this in two hour shifts. I estimate we will need around 80 workers each day to cover the regular booths and pubs along with all these wine tents. If we are given the Beer Tasting Tent weekend, approximately 5 people are needed at each shift.

To be fair to all, we are giving first pick of taverns/booths to those who spend time helping with the wine tasting. You could also bring

a friend to work your time in the wine tasting area. We have offered the tasting tent(s) to Jaycee chapters to which we would make a contribution toward their chapter. One chapter has shown interest so far.

What are greatly needed are volunteers at least 19 years of age to work during the weekend of Sept. 11 and 12, 2010. Having 80 people each day of that weekend working makes the workload easier for all involved. You can sign up now, and if necessary, Mary will also be personally calling to get volunteers. The hours of serving are from 10-7 on Saturday, Sept. 11 and from noon – 7 on Sunday, Sept. 12. We ask that all volunteers would sign up for the whole day. The more people who volunteer, the less hours each person is asked to work. Other volunteers would be able to enjoy the festival when they are not on shift. The hours and repeat of shifts depend on how many volunteers we have. Depending on the type and location of the booth, three or four workers are usually needed during each shift. As volunteers for the Michigan JCI Senate, we will receive parking passes and free admission into the festival for the day during which we are working. Admission tickets are normally around \$25 a person. While working a shift or shifts, any tips received will be shared among the shift workers and can be kept or donated by each worker. It is a requirement by the Festival Board that all workers throughout the village be in garb (costume). The Senate has some costumes. When you sign up, let us know if you are in need of some costuming. Also, all work-

ers in the beer/wine booths MUST be at least 21 years old and CANNOT consume alcohol before or during their shift. Mary Burden will again be the contact for the volunteers to sign up for Saturday, Sunday, or both days, so she can arrange the booth workers. Dave Dunville thedunvilles@aol.com is working with the hotel, Renaissance paperwork, and our bank for the change fund. In the past, on the average, each senator has brought around two to three family members and friends to help out. Could you please consider working one or both days and bringing helpers with you? Call me at 231-690-2020 or email me at robmary90@gmail.com to volunteer or for any additional questions or information. Hotel Information: Comfort Inn & Suites, Phone: 810-694-0000, 9040 Holly Road, Grand Blanc 48439. 10 rooms are being held under a group block, All rooms are non-smoking. This will be the same hotel as last year, and we are getting the rooms cheaper than last year- \$89.00 a night. The room block will only be held until August 10th, so book before then. Those planning on staying at the hotel are responsible for booking their own rooms on their own credit cards.

I have enjoyed myself this past year. I have attended some events for the first time like our annual golf outing back in August. For a summer day, it sure was chilly that day. I was glad I'm not a golfer and was able to stay in the lounge to stay warm. I also attended the Woodward Dream Cruise for the first time; it was very warm (no more like, HOT as H@#%) that day. One just broke into a sweat just drinking cold water. Hard to believe both events took place in August. Let's not forget The Post Holiday Party, at that time Ellen Kester was the recipient of the Friendship Award #0034. Ellen truly epitomizes ***“There is no greater joy or greater reward than to be a friend and to make a difference in the lives of others.”*** Ellen is the wife of Dennis Kester #38041

We held our Elections on March 13th, Deb Fewless #58565 was elected as Michigan's 38th President, and Deb has officially taken office May 1st at the MIJC State Meeting. The following individuals were also elected as your 2010-11 Board of Directors:

I would like to introduce to you our last 5 newest Senators from my “Pay it Forward” year: Millie Tyszkiewicz # 69553, Karen Ryan # 69546, Vette Sutton # 69414, Amy Miller # 69174 and Darlene Dresch, #69161 (Darlene is the 2010 Michigan Jaycee President). Congratulations ladies on your Senatorships and welcome to the Michigan Senate.

I would like to thank my 2009-10 “Pay it Forward” Board of Directors: Patti, Jocelyne, Dennis, Art, Mindy, and Russ for your friendship, continuing dedication and support to the Michigan Senate. Tammey I. thank you for taking on the role of chaplain for this year. You are a good friend for sharing this year with me. Robin, thank you for taking on the role of the Filibuster editor. The filibusters looked good. You are also a good friend for sharing this year with me. Thank you to our chairpeople for taking on these roles. Krista and Amy, you to have done an awesome job with the First Timers Program, adding something different each quarter and making it fun. Tammy G. you have done an outstanding job with Return the Favor Program. Deb M., our hospitality “goddess”. Thank you for taking that role on for an additional year. You did a great job of keeping a good supply of refreshments, even though I changed my choice of beverage quarterly (and you didn't even yell about it). Cindy, you took on the challenge of Scholarship Chair. Thank you so much for taking on that role. When you told me that one of the reasons you joined the Jaycees was to bring leadership roles to the area girls scouts, I knew I made a good choice on asking you. Jack, thank you for staying on as the Onto Chairman and chairing the Hal Krekorian Annual Golf Outing. I'm looking forward to attending it this year (I hope you have something for a non-golfer). Don and JoEllen thanks to both of you on co-chairing the golf outing back in August. Pat and Tim thanks to both of you on co-chairing the Woodward Dream Cruise. Mary and Dave thanks to both of you on co-chairing Renaissance Festival. Julie and Rich thanks to both of you on co-chairing the Post Holiday Party.

Thank you for allowing me to serve as your 37th President. It has been my honor and privilege to serve the Michigan JCI Senate.

Remember to “Pay It Forward”...

At the first intersection (by Walmart and Lowes), turn right onto Hwy 245 (the By-Pass) heading around to the right/north. Coming from Louisville, take I-65 south to Exit 112 to Clermont/Bardstown (Hwy 245). The Hampton Inn is just off the Hwy 245/By-Pass (behind Taco Bell). To get to the farm, take Hwy 62 East from Hwy 245/By-Pass (turn at light by Save-A-Lot grocery store). Take Hwy 62 north and turn left onto Hwy 162 (62 curves right and 162 is to the left, look for large water tank). Go 3.8 miles on Hwy 162 and turn left onto gravel lane (look for #3912 on the mailbox). KY Senate signs are at the Hwy 62/162 split and at the driveway. If you get lost, call the cabin at 502-252-8513.

Another claim to fame for Bardstown is it being labeled as the "Bourbon Capital of the World". There are two distilleries in town, Heaven Hill and Barton Brands. Several other distilleries are within a short drive. The popular Maker's Mark distillery is nestled in the hills and valleys just outside of town in Loretto and is a pleasurable and scenic tour. The world famous Jim Beam distillery is also very near and is a must for visitors to the Bardstown area.

The "historic district", centered in the downtown area has sites such as St. Josephs Basilica which is the first catholic church west of the Allegany's and one of the first of four archdiocese in the United States; the Oscar Getz Museum of Whiskey history, and the Old Talbot Tavern which was a stage coach stop for travelers, famous and infamous, heading late 1700's. And, of course, the wonderful and Kentucky Home mansion at Federal Hill.

out west in the famous My Old Frequently visited to be his inspiration for the state song. You can visit the mansion and it's gardens at Federal Hill in the day, and see the musical depicting the life of Stephen Foster and his music at the J Dan Talbot amphitheater that same night.

by the American composer Stephen Foster, it is said

The Jaycee Creed

We Believe:

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.
