The Official Newsletter of the Michigan JCI Senate

Volume III, Issue II

August-October 2011

A Few Words from your President

The JCI Senate has been busy these first few months. I have traveled to the National Convention in Illinois, attended my first Ohio Pig Roast, went back to Illinois for their Annual Family Picnic, attended an Exhausted Jaycee Steak Fry in Muskegon, 2nd Quarter Convention with the MIJC and our Woodward Dream Cruise.

The friendships that I am building have made me even prouder to be a Senator of this great organization. I invite all the Michigan JCI Senators to visit one of the surrounding States at least once this year. The hospitality is outstanding – the friendship is priceless – the memories will be everlasting.

Our State is very busy. A big thank you to Pat Malac and Tim Labarge for chairing Woodward Dream Cruise. What an event! I enjoyed myself, so much it is already on the calendar for next year. The cars, people and tent huddling during the storm were memorable. The smell of burning rubber – nothing like it. I got to meet some Senators that I haven't had the pleasure in meeting before and got to renew friendships with Senators from the past.

More events that you can enjoy in the coming months...Renaissance Festival in Holly, Westside Golf and Social in Muskegon and Border Bash in Coldwater. Hoping to see all of you at one or all 4 of these events; you're guaranteed a friend-filled weekend. Look for information on any of these events throughout the newsletter or on our Website.

Check out the Filibuster, Website and E-New e-mails for information as it comes available on the upcoming events:

A.	Renaissance Festival	September 10-11; Holly
B.	Westside Event:	September 16-17th; Muskegon Holes for Hospice Golf & Social

H.	Canada's Crew Meeting	May 18-20, 2012; London

Please check with the chairpersons and see what you can do to help out with events; please join us in visiting other States and please join us at the Michigan Assemblies for our Quarterly Meetings, Return the Favor Awards and First Timer events. All of this is part of being a JCI Senator – enjoy the experience.

See you at the next Senate event!

Return the Favor

Tony Karasiewicz Memorial Return the Favor Award

Hello Michigan JCI Senators. I'd like to recognize our winner from the 2nd quarter, Joe Voszatka; and our winner from the 1st quarter, Gil Mayrand. I'd like to thank the Wyandotte Jaycee President Michelle Kelly for nominating both of these dedicated Senators. Michelle took the initiative to give both of these gentlemen a pat on the back for a job well done for the Jaycees.

I encourage all of you to identify hard working Senators and ask their home chapter to nominate them for the Return the Favor Award. I'm sure you see your fellow Senators assisting at projects, providing financial support, referring new members, and providing advice (if it's asked for or not!!!!). Have their chapter take a few moments to applaud the efforts of these individuals. The nomination form is located on the Senate website, or e-mail me danchickmag@hotmail.com and I can send one to you. I look forward to presenting this award each quarter on the big stage at convention. Thanks you.

Chaplain's Corner—Patti Reitsma

Hello fellow Jaycee Senators,

It's been a whirlwind filled tunnel of how fast the summer has progressed. Time for school to start, so that makes for easy driving and shopping during the day. Our fall adventures are about to begin and we can plan the rest of the year with events we can participate in. Going to projects is a great support mechanism that keeps the backbone of our Michigan Senate. Go to the MIJCI website and check out our events calendar to see where some projects fit into your schedule, so you can attend.

We have had a rough year with health issues in the Senate. When you think of your senate friends, keep good thoughts of how you know them, how they continue their day with strength and what they might be going through. Please say a prayer for the following senators that have lost a loved one this year.

Tom Goldsmith, Blanca Fox, Dianna Raquepaw, Gina Root, William Boonstra #8385 and Sam Gardner #48417.

Continue to send happy thoughts to those that have been struck by illness and working hard to get healthy each day. We all can look forward to keeping our attitudes up so we can see the next day and the next. Enjoy what's going on in your life.

We have a new addition to one of our senators family. Mike Carbon #61631 and Carrie had a boy Matthew, born in May. We love to hear about those Grand kids too.

Always remember that "Laughing" is a wonderful medicine. Did you know that, a laugh is just a smile that explodes? I have a neighbor who loves to talk. She talks a 100 miles per hour with gusts up to 300 miles an hour. I love to listen to her because she makes me LAUGH. Keep those kinds of people ever present in your life. Fall is here and now you can start to have some Fun. I can't wait to see you at the next project !!

Respectfully submitted,

Project Recap

What a few days. Friday was sloooooow! But Saturday we had everything!! You name it we had it. 1st I want to say THANKS to everyone that came out to help. Then a BIG THANKS to the people that sat there when the storm hit Sat. about 4:00. We were sitting on top of all the shirts and each other. When it stopped we heard that the power was out down Woodward. So Joe talked to channel 7 into opening up our lot and the cars came back. 6:30/7:00 the sun came out and people came back. We then sold the shirts 2 for 1 and sold a lot. When you see or talk to these people ask them about it and say thanks because they went the mile to help out.

I think we all had a lot of fun. It's funny that when things like this storm hits a project, we get to know people very well. Down the road we will joke about this and laugh at it. Just like we did when we were JC's The new people said they didn't know what to think about this weekend, but they all did have fun and would be back.

Thanks again,
Tim Labarge 43200

Just to let everyone know, Year after Year, Tim has not missed a DAY yet in our booth. Tell him THANKS when you see him.-Pat Malac

From the 2011-2012 Board of Directors, THANK YOU, TIM for your continued dedication to this project!

Renaissance Festival News

MY LORDS AND LADIES, COME ONE, COME ALL TO MICHIGAN RENAISSANCE FESTIVAL, SEPTEMBER, 10 & 11 in Holly, Michigan. RAIN OR SHINE!

Hear ye! Hear ye! Thou art invited to partake in a most fabulous time while serving beer and wine. We will have our normal weekend after Labor Day, this year being Sept. 10 and 11. The Renaissance board has informed us that we will be also doing the Wine Tasting. The Renaissance Board has invited around 15 wine distributors from around the state to each have their own tent at this year's event. Because all alcohol sales fall under our alcohol license, the Senate has to provide at least one wine pouring volunteer at each tent. We will be doing this in two hour shifts. I estimate we will need around 80 workers each day to cover the regular booths and pubs along with all these wine tents.

To be fair to all, we are giving first pick of taverns/booths to those who spend time helping with the wine or beer tasting. You could also bring a friend to work your time in the wine or beer tasting area. We offered the tasting tent(s) to Jaycee chapters to which we would make a contribution toward their chapter. There have not been any takers on this offer yet.

What are greatly needed are volunteers at least 18 years of age to work during the weekend of Sept. 10 and 11, 2011. Having 80 people each day of that weekend working makes the workload easier for all involved. You can sign up now, and if necessary, Mary will also be personally calling to get volunteers. The hours of serving are from 10-7 on Saturday, Sept. 10 and from noon – 7 on Sunday, Sept. 11. We found out that we will not be participating in early alcohol sales on Sunday. We ask that all volunteers sign up for the whole day. The more people who volunteer, the less hours each person is asked to work. Other volunteers would be able to enjoy the festival when they are not on shift. The hours and repeat of shifts depend on how many volunteers we have. Depending on the type and location of the booth, three or four workers are usually needed during each shift.

As volunteers for the Michigan JCI Senate, we will receive parking passes and free admission into the festival for the day during which we are working. While working a shift or shifts, any tips received will be shared among the shift workers and can be kept or donated by each worker.

It is a requirement by the Festival Board that all workers throughout the village be in garb (costume). The Senate has some costumes. When you sign up, let us know if you are in need of some costuming. Also, all workers in the beer/wine booths MUST be at least 18 years old and CANNOT consume alcohol before or during their shift. We ask that those under or close to 21 carry their photo ID with them.

Mary Burden will again be the contact for the volunteers to sign up for Saturday, Sunday, or both days, so she can arrange the booth workers. Dave Dunville thedunvilles@aol.com is working with the hotel, Renaissance paperwork, and our bank for the change fund. In the past, on the average, each senator has brought around two to three family members and friends to help out. Could you please consider working one or both days and bringing helpers with you? Call or text Mary at 231-690-2020 or email at robmary90@gmail.com to volunteer or for any additional questions or information.

Hotel Information: Comfort Inn & Suites, Phone: 810-694-0000, 9040 Holly Road, Grand Blanc 48439.

10 rooms are being held under a group block, All rooms are non-smoking. This will be the same hotel as last year, and we are getting the rooms the same as last year- \$89.00 a night. The room block will only be held until August 10th, so book before then. Those planning on staying at the hotel are responsible for booking their own rooms on their own credit cards.

Hear Ye! Hear Ye!

Thou art invited to partake in a most fabulous time while serving beer and wine at the Michigan Renaissance Festival in Holly, Michigan. For the past thirty years the Michigan JCI Senate has been in charge of the eleven beer and wine booths throughout the Michigan Renaissance Festival Village during one of the weekends. Our weekend this year is Sept. 10 & 11. Serving hours are 10 am—7 pm on Saturday and noon—7 pm on Sunday. We will also be working a group of wine tasting tents during all the hours that the festival is open. We ask that you volunteer for one or both complete days. The more people who volunteer, the more time each person has to enjoy the festival during break times. All workers throughout the village should be in garb (costume). The Senate has some costumes. When you sign up, let us know if you are in need of some costuming.

A block of ten non-smoking hotel rooms at the Comfort Inn 9040 Holly Road, Grand Blanc 48439, within a half mile off the I-75 expressway, has been set aside for the Michigan JCI Senate **until August 10** for the evenings of Friday, Sept. 9 and Saturday, Sept. 10. The cost is \$89.00 a night. + tax. This hotel is only one exit northwest from the Renaissance Festival exit. Treasurer—Wendy Klinge

Wow, my hat is off to you Dennis for all the years that you handled this job of Treasurer. As you know last year many members that had not paid their dues in recent years were dropped from the Michigan JCI Senate. This year I am sending out invoices by e-mail or US mail depending on what information we have for you. Last night I tried to call the people that I had not received checks from as I need to send in the dues kit to reach the US Treasurer by the first of September.

What a surprise to find out that half of the phone numbers that I called were disconnected. My guess would be that land lines have been disconnected and replaced with cell phones. The Senate dues are paid to US on a quarterly basis and we are trying hard to keep all our members.

The following people were dropped from the roster for non-payment of dues:

Donna Chenard #68940, Sam Gardner #48417, Karen Johnson #51213, Frances Kirchoff #46609, Mitch Manahan #64037, Gerald Mrozinski #25596, Robert Padget #7783, Rick Reidt #47800, Kim Smith #57268, James St. Louis #14742, Bradley Sullivan #64952, Michelle Thurlow #61007, Richard Tice #21339, Lori Tyler #48103, Brian Tyler #49585.

If you know any of these people and they did not want to be dropped; we can add them back to the roster with the December billing.

Did you know that you have a choice to pay your dues annually (\$20.00) or you can pay for a lifetime dues (\$200.00). The lifetime dues can be paid as a one time payment or 4 quarterly payments of \$50.00 each.

There is a link on the website under the Filibuster tab to update your contact information. If you would just take a minute to go to this link and update your information we would be able to have current information on all our members. Did you know that Michigan JCI Senate also has a facebook page? Join us there also.

Help us to keep our senators – if you know any of the senators that I have listed please contact them to see if we can get them back. Thanks for your help.

Use NJC as your registration code for the \$119.00 rate. There are 2 hand-capped rooms available but seats can be put in the bathtubs of any room. The hotel is trying to put us on the picturesque 22nd floor since the Hospitality room is on that floor. Smokers should know that the 5th floor is a smoking floor but rooms are limited. 2) 58 people have registered at the discounted rate that was extended. Me thinks we are 1/4 of our projected total. 3) London will not be hosting their annual Invitational golf weekend but we encourage everyone to golf on the Friday of the Crew Meeting. \$65.00 for golf, cart and prizes. Contact Senator Bill Simpson for details at twsimpson@sympatico.ca 4) At least 3 of us from London will be going to Connecticut to pump up the meeting in October.

Where Pride is strong in the JCI

The Jaycee Creed

We Believe:

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.
